# TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

**Old Vicarage, North Street.** North Street, running between Wellington Row and Bridge Street (which leads directly to Ouse Bridge), contains some curious specimens of old domestic architecture. Here is the Old Vicarage, now a shop, at the juncture of North Street with a narrow wynd. Its upper story overhangs the ground floor in an oddly top-heavy fashion, and has a curious moulding of front-tooth pattern.
